What the Pikes have been up to: Chapter Highlights and Upcoming Events

As we kick off another exciting semester, we're thrilled to share some updates and highlights from our chapter. From successful recruitment efforts to impactful philanthropy initiatives, the brothers of Pi Kappa Alpha have been hard at work strengthening our presence on campus and within the community. Whether it's through leadership development or brotherhood events, we continue to uphold the values that define our fraternity.

We wrapped up the semester with 33 Active members and a Semester packed full of memories. From Homecoming to Serenades the men of Pi Kappa Alpha are committed to upholding excellence amongst our men.

Additionally, we want to invite all alumni to join us for our Alumni Work Day on April 12, 2025. This event is a great opportunity to reconnect with old friends, contribute to the upkeep of our chapter house, and continue the legacy of Pi Kappa Alpha at Pittsburg State. We greatly appreciate the time and effort our alumni dedicate to ensuring the success of our chapter.

Finally, we want to remind everyone that our charitable efforts rely on the kindness and support of our community. If you are able to donate your time or resources, please do not hesitate to reach out to us.

Chapter's Executive Conference

Earlier this month, our chapter leadership had the incredible opportunity to attend the Pi Kappa Alpha Chapter Executives Conference (CEC) in Memphis, Tennessee. This annual event brings together chapter leaders from across the nation to collaborate, learn, and strengthen their leadership skills. Our executive team gained valuable insights into effective chapter operations, leadership development, and strategic planning, all of which will help propel our chapter forward in the coming year.

Our chapter is excited to implement the knowledge gained at CEC and apply it to our daily operations. Whether it's improving communication within the chapter, enhancing our recruitment efforts, or strengthening our alumni engagement, we are committed to using these lessons to make Pi Kappa Alpha at Pittsburg State University stronger than ever. We look forward to sharing our progress and continuing to strive for excellence in all aspects of fraternity life.

Alumni Spotlight *Jeremy Stien*

“Rushing PIKE: Good Times, Great People, and Big Things Ahead!”

Rush week has been an exciting time for our chapter as we work to recruit men who exemplify the values of Pi Kappa Alpha.

This semester's rush events included a variety of opportunities for potential new members to meet the brotherhood and experience what PIKE is all about. We kicked things off with our Bowling Night, a fun and competitive evening that allowed everyone to bond in a relaxed setting. Our Meet the Pikes event provided a great opportunity for prospects to learn more about our fraternity's values and the opportunities we offer. The highly anticipated Taco Tuesday event was a hit, offering great food and conversation, while our Chatters Social provided a casual atmosphere to further connect with potential new members.

As we continue through the recruitment process, we are optimistic about welcoming six new members into our brotherhood. Each potential new member brings unique qualities that align with our values, and we are excited to see how they will contribute to the continued success of our chapter. Our recruitment team has worked hard to ensure that each individual feels welcomed and informed about what it means to be a PIKE.
